Subject: PSA Exemption Request FAA-2003-16403 - Request for Further Information

Mr. Bowden,

In accordance with Title 14 CFR § 11.81(h), if PSA Airlines, Inc. wants to exercise the privileges of an exemption, if granted, outside the United States, "the reason why you need to do so" must be included in the petition for exemption. Otherwise, in accordance with § 11.83, the FAA will limit the exemption, if granted, to use within the United States.

The PSA petition for exemption from Title 14 CFR § 121.434(c)(1)(ii), dated March 28, 2022, did not specifically request use of the petition outside of the United States. However, the FAA is aware that PSA is authorized to conduct international operations. Therefore, the FAA requests clarification on whether PSA wants to exercise the privileges of this exemption, if granted, outside the United States.

You may respond directly to this email or submit clarification directly to the docket ID FAA-2003-16403. This email and your response will be added to the docket. If PSA wants to exercise the privileges of this exemption, if granted, outside the United States, please also include the information required by § 11.81(h). Please respond by May 30, 2022.
